INDEPENDENT AUDITOR'S REPORT

To the Directors of Touchstone Family Association

Qualified Opinion

I have audited the accompanying non-consolidated financial statements of Touchstone Family Association, which comprise the non-consolidated statement of financial position as at March 31, 2020, and the non-consolidated statement of changes in net assets, non-consolidated statement of operations, and non-consolidated statement of cash flows for the year then ended, and notes to the non-consolidated financial statements, including a summary of significant accounting policies.

In my opinion, except for the possible effects of the matter described in the Basis of Qualified Opinion paragraph, the non-consolidated financial statements present fairly, in all material respects, the financial position of Touchstone Family Association as at March 31, 2020 and its result of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations

Basis for Qualified Opinion

In common with many not-for-profit organizations, Touchstone Family Association derives revenue from donations and fundraising, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, my verification of these revenues was limited to the amounts recorded in the records of Touchstone Family Association. Therefore, I was not able to determine whether any adjustments might be necessary to donations and fundraising revenue, excess of revenue over expenses, cash flows from operations for the years ended March 31, 2020 and 2019, current assets as at March 31, 2020 and 2019, and net assets as at April 1, 2019 and 2018 and March 31 for both the 2020 and 2019 years. My audit opinion on the non-consolidated financial statements for the year ended March 31, 2019 was modified accordingly because of the possible effects of this limitation in scope.

I conducted my audit in accordance with Canadian generally accepted auditing standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Non-consolidated Financial Statements section of my report. I am independent of Touchstone Family Association in accordance with the ethical requirements that are relevant to my audit of the non-consolidated financial statements in Canada, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

Responsibility of Management and Those Charged with Governance for the Non-consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these non-consolidated financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of non-consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the non-consolidated financial statements, management is responsible for assessing Touchstone Family Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate Touchstone Family Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing Touchstone Family Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Non-consolidated Financial Statements

My objectives are to obtain reasonable assurance about whether the non-consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these non-consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the non-consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Touchstone Family Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on Touchstone Family Association's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the non-consolidated financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause Touchstone Family Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the non-consolidated financial statements, including the disclosures, and whether the non-consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Report on Other Legal and Regulatory Requirements

As required by the Societies Act of British Columbia, I report that, in my opinion, the accounting principles in Canadian accounting standards for not-for-profit organizations have been applied on a basis consistent with that of the preceding year.

TOUCHSTONE FAMILY ASSOCIATION
NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2020

1. PURPOSE OF THE ASSOCIATION

The Touchstone Family Association (the "Association") was incorporated under the B.C. Societies Act, in 1983. The Association is a registered charity under the Income Tax Act, and as such is exempt from income taxes and is able to issue donation receipts for income tax purposes. In order to maintain its status as a registered charity under the Act, the Society must meet certain requirements within the Act. In the opinion of management, these requirements have been met.

The purpose of the Association is to:

- 1) Establish and operate residential and non-residential facilities and services to provide emergency, receiving and assessment services for youths and their families in the City of Richmond and surrounding municipalities. These services include provision of food, clothing, shelter, psychological assessment and counselling;
- 2) To inform the residents of Richmond and surrounding municipalities as to the importance of the services being provided to families and children.

Since March 2020, the global outbreak of COVID-19 has affected the Society's operations. Some events have to be postponed and majority of the in-person programs have moved online. There have been no financial interruption.

2. SIGNIFICANT ACCOUNTING POLICIES

A. Basis of presentation

These non-consolidated financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO). The non-consolidated financial statements have, in management's opinion, been properly prepared within reasonable limits of materiality and within the framework of significant accounting policies summarized below.

B. Capital assets

Tangible capital assets are recorded at cost less amortization and impairment. The cost for contributed capital assets is considered to be fair value at the date of contribution. Amortization is provided using the following methods at rates intended to amortize the cost of assets over their estimated useful lives.

Computer hardware	Straight-line basis over 3 years
Computer software	Straight-line basis over 1 year
Furniture, fixtures & equipment (Francis house)	Straight-line basis over 5 years
Furniture, fixtures & equipment (Richmond)	Straight-line basis over 10 years
Leasehold improvements	Straight-line basis over 5 year
Vehicles	Declining balance at 30%

TOUCHSTONE FAMILY ASSOCIATION
NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2020

2. SIGNIFICANT ACCOUNTING POLICIES - continued

C. Impairment of long-lived assets

Capital assets are reviewed for impairment when they no longer contribute to the Association's operations. If impaired, the net carrying amount of the capital asset is written down to its fair value or replacement cost.

D. Cash and restricted cash

Cash consists of balances with banks held for the purpose of meeting short-term cash commitments.

E. Revenue Recognition

Grants, donations, and other contributions to the Association are accounted for under the deferral method. Accordingly, externally restricted contributions are recognized as revenue in the year in which related expenditures are incurred. Contributions for the purchase of capital assets that are amortized are recorded as deferred and recognized as revenue on the same basis as the amortization expense related to the acquired capital assets. Unrestricted contributions are recognized at the earlier of when received or when collection are presented as deferred revenue.

The Association hosts fundraising activities such as Community in Motion and Tee Cup to supplement its operating revenues to fund the Front Porch program; revenue from such activities are recorded as deferred revenue until future program expenditures are incurred.

F. Donated goods and services

The Association benefits from donated goods and services. Due to the difficulty in determining the fair value of these goods and services, they are recognized in the non-consolidated financial statements when there is a measurable basis for arriving at a dollar value and when used in the normal course of operations and would otherwise have been purchased. The Association had the rent-free use of a facility owned by B.C. Housing Management Commission throughout the year for one of the programs. A facility for the program would otherwise have been rented. The fair value for the use of this facility has been reflected as revenue and as an expense in the accounts.

G. Use of estimates

The preparation of non-consolidated financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the reporting date and the reported amounts of receipts and disbursements for the reporting period. Actual results could differ from these estimates. Significant non-consolidated financial statement items that require the use of estimates are the useful life of capital assets, accrual of expenses (including sick pay), and the revenue and expense related to rent-free use of facility described in note 2F. These estimates are reviewed periodically and adjustments are made, as appropriate, in the non-consolidated statement of operations and changes in fund balances in the year they become known.

TOUCHSTONE FAMILY ASSOCIATION
NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2020

2. SIGNIFICANT ACCOUNTING POLICIES - continued

H. Fund Accounting

In order to ensure observance of limitations and restrictions placed on the use of resources available to the Association, the accounts are maintained on a fund accounting basis. Accordingly, resources are classified for accounting and reporting purposes into funds. These funds are held in accordance with the objectives specified by the contributors or in accordance with the directives issued by the Board of Directors.

The administration and programs fund accounts for the Association's program delivery and administrative activities. This fund reports unrestricted resources, and internally restricted Board committed funds. Unrestricted funds represent funds that can be used for any purpose. Internally restricted funds represent discretionary funds assigned by the Board to be used for specific facilities, programs and other operational needs.

The gaming fund accounts for the Association's disbursements of funds based on guidelines provided by the Province of British Columbia. Restricted contributions from gaming are reported in this fund.

I. Allocation of expenses

The Association provides intervention and support services to families and children. The costs of each program include the costs of personnel and other expenses directly related to providing the program.

The Association incurs general support expenses that are common to the administration of the Association's programs. The Association allocates its expenses for these programs by indentifying an appropriate basis of allocating each component expense, and by applying the basis consistently each year.

General support expenses related to salaries and benefits, and accounting and legal have been allocated between programs based on the percentage of revenue received for each program over total revenue. General support expenses related to office expenses have been allocated between programs based on actual usage of resources in each program. General support expenses related to rent have been allocated between programs based on space used in each program for Restorative Justice and Youth Gang. For the programs Reset Youth, Transition to Independence, Supervised Access, and Family Preservation and Reunification, rent is allocated based on full-time equivalent employees in each program as indicated on the service agreement with the Ministry of Children and Family Development.

See additional disclosure in note 11.

J. Controlled not-for-profit organization

The Association follows the accounting recommendations of the Chartered Professional Accountants Canada ("CPA Canada") Handbook Section 4450 to account for its controlled not-for-profit organization. The non-consolidated financial statements are presented on a non-consolidated basis and do not include the assets, liabilities, results of operations and net assets of the Richmond/Delta Family Empowerment Program, as summarized in note 3. Management believes separate note disclosures of this controlled not-for-profit organization provide a more meaningful presentation of the Association's activities.

TOUCHSTONE FAMILY ASSOCIATION
NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2020

2. SIGNIFICANT ACCOUNTING POLICIES - continued

K. Pension

The Association and its employees participate in the Municipal Pension Plan which is a multi-employer pension plan. The plan is a defined benefit plan but due to the lack of information provided by the plan, it is accounted for as a defined contribution plan in accordance with generally accepted accounting principles. Accordingly, the Association expenses amounts to be contributed as incurred.

3. CONTROLLED ENTITY

Touchstone Family Association has 60% interest in the Richmond/Delta Family Empowerment Program, the other 40% is administered by the Boys and Girls Clubs of South Coast BC. The Association provides operational and staff support to the program and thereby it is able to indirectly control the entity.

Richmond/Delta Family Empowerment Program operates the Community Action Program for Children ("CAPC"). The Association on behalf of the Richmond/Delta Family Empowerment Program signed a contribution agreement with the Federal Minister of Health.

The contributions of \$202,315 were advances from Public Health Agency of Canada to Touchstone Family Association on the program's behalf and \$33 interest was earned on funds in the year. The expenditures were \$202,348, of which the Association administers 60% and the Boys and Girls Clubs of South Coast BC administered 40%.

At the end of the fiscal year, the Association had receivables from CAPC in the amount of \$30,726. This is included in CAPC's total liabilities. The receivables are reimbursements of expenses paid by the Association on CAPC's behalf.

The following are the unaudited financial summaries of the unconsolidated entity:

	<u>2020</u>	<u>2019</u>
Statement of Financial Position:

	<u>\$ 270,723</u>	<u>\$ 259,475</u>

9. COMMITMENTS

On March 12, 2019, the Association entered into a 10 year office facility lease located in Richmond, expiring on September 30, 2029. Monthly payments are \$21,709.

On March 16, 2016 the Association entered into a five year equipment lease, expiring on March 7, 2021. Monthly payments are \$871.

On July 16, 2015 the Association entered into a five year vehicle lease, expiring on July 16, 2020. At the end of the lease there is a purchase option at a value of \$7,588. Monthly payments are \$419. At the end of the lease in June 2020, the Association exercised its option to purchase the vehicle.

TOUCHSTONE FAMILY ASSOCIATION
NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2020

10. ECONOMIC DEPENDENCE

The Association is economically dependent on government funding which represent 95.02% (2019 - 93.75%) of the total revenue.

	<u>2020</u>	<u>2019</u>
Federal grants	0.22%	0.22%
Provincial grants	92.33%	90.76%
Municipal grants	<u>2.47%</u>	<u>2.76%</u>
	<u><u>95.02%</u></u>	<u><u>93.75%</u></u>

11. ALLOCATION OF EXPENSES

General support expenses of \$730,998 (2019 - \$675,004) have been allocated to the following programs:

	<u>2020</u>	<u>2019</u>
Francis House	\$ 104,786	\$ 88,566
Reset Youth	70,608	82,254
Transition to Independence	86,396	46,338
Supervised Access	26,864	19,271
Family Preservation & Reunification	419,016	411,798
Restorative Justice	16,620	21,746
Youth Gang	<u>6,708</u>	<u>5,031</u>
	<u><u>\$ 730,998</u></u>	<u><u>\$ 675,004</u></u>

12. SOCIETIES ACT OF BRITISH COLUMBIA

As part of the disclosure requirements of the Societies Act of British Columbia, the Association reports it had 6 employees who earned in excess of \$75,000. Total remuneration to these employees was \$599,335.

13. EMPLOYEES' PENSION PLAN AND RETIREMENT BENEFIT

The Association and its employees contribute to the Municipal Pension Plan (Plan), a jointly trustee pension plan. The board of trustees, representing plan members and employers, is responsible for overseeing the management of the Plan, including investment of the assets and administration of benefits. The Plan is multi-employer contributory pension plan. Basic pension benefits provided are based on a formula. The Plan has about 204,593 active members. Active members include approximately 50 contributors from the Touchstone Family Association.

Every three years, an actuarial valuation is performed to assess the financial position of the Plan and the adequacy of the Plan funding. The report is released at the end of September. The most recent actuarial valuation as at December 31, 2018 reported assets of \$58,526,162 and liabilities of \$55,659,718. The Association paid \$202,064 (2019 - \$176,088), which is included in salaries and benefits in the non-consolidated statement of operations.

NOTES TO NON-CONSOLIDATED FINANCIAL STATEMENTS
March 31, 2020

14. FINANCIAL INSTRUMENTS

The Association's financial instruments consist of accounts receivable, and accounts payable. Unless otherwise noted, it is management's opinion that the Association is not exposed to significant credit, interest rate, liquidity risks, or other price risks arising from these financial instruments.

The Association is exposed to financial risk that arises from the fluctuation in interest rates, and in the credit quality of its clients.

Credit risk

The Association's credit risk consists principally of cash, restricted cash, and accounts receivable. The Association maintains cash, and restricted cash with reputable and major financial institutions to limit credit risk exposure. The credit risk from counter parties not paying accounts receivable is not considered to be significant and accordingly, management has determined there is no requirement for an allowance for doubtful accounts as at March 31, 2020 (2019 - nil).

Interest rate risk

The Association is exposed to interest rate risk with respect to the following financial instruments: cash and restricted cash. Changes in interest rates can affect the fair value of investments and the cash flows related to interest income and expense.

Liquidity risk

The Association is exposed to liquidity risk in meeting its obligations associated with financial liabilities, which is dependent on receipt of funds from clients and grant providers.

15. COMPARATIVE FIGURES

Certain comparative figures have been reclassified to conform to current year's presentation.

The prior year figures on the non-consolidated statement of financial position have been restated to reflect that these transactions were restricted contributions and are not part of internally restricted net assets. Prior year figures revised on the non-consolidated statement of financial position include an increase in deferred revenue of \$146,153, and a decrease in internally restricted net asset of \$146,153.
