Holiday Hamper

WHAT IS THE HOLIDAY HAMPER PROGRAM?

Touchstone's Holiday Hamper program is getting started and we hope to help many of our clients with counselling and emotional support along with some food, necessities and a wish or two - with your help. Holiday Hampers really make a difference for our client families at this time of year.

HOW CAN YOU HELP?

Support the Holiday Hamper program this year by Becoming a Sponsor or Making a Donation - deadline for participating: November 30th 2020
Financial donations are graciously accepted until December 15th 2020.

BECOME A SPONSOR

Touchstone will match sponsors with a client family based on how many people the sponsor can support. Then, together with one of our counsellors, the client family will put together a wish list including items such as winter jackets for their kids, books, toys, food, housewares and more. We will pick up the hamper and deliver it to the family on your behalf.

If you or your organization would like to sponsor a family contact us at 604.279.5599

MAKE A DONATION

Touchstone will support clients (and their families) with gift cards for groceries, clothing and other necessities.

Visit our website to make a donation and direct your funds to the "Holiday Hamper" - donations of \$20 and higher will receive a tax receipt.
